EDUCATION

Bachelor of Technology in Computer Science, *GLA University, Mathura, 7.8/10* — June 2027

Intermediate, BRI Inter College Bilheni Kabis, Agra , *75%* — May 2022

High School, PRD Higher Secondary School, Agra, *84.2%* — May 2020

TRAINING EXPERIENCE

Generative AI Technical Training , GLA University, Mathura — June 2025 – July 2025

Trainee

• Focused on generative model optimization pipelines, deployment strategies, and multi-modal development.

Professional Certifications:

- **Oracle Generative AI Certified Professional –** Validating industry-aligned capability in enterprise AI model integration.
- **Microsoft Azure AI-900 Certified –** Demonstrating verified competency across foundational AI workloads and cloud deployment.

PROJECTS

Migration Management Tool

Tech Stack: Java, SQL, Node.js, Express.js, MongoDB

- Built a migration platform enabling automated schema transformation and secure data transfer between relational and non-relational databases using Java, Node.js, and Mongo DB.
- Developed high-throughput connector pipelines with validation rules to ensure data integrity and maintain historical logs during cross-platform migrations.

Quiz Maker Website

Tech Stack: Python (Flask), SQLite, HTML, CSS, JavaScript, Microsoft Azure

- Developed a full-stack quiz application (MCQ, True/False, Fill-in-the-Blank) using Flask, SQLite, and deployed on Microsoft Azure for scalability.
- Implemented automated scoring and instant feedback with performance tracking to enhance user engagement and accessibility.

SKILLS

Technical

Languages: Java, Python, C

Web Technologies: HTML, CSS, JavaScript , React

Backend & DB: Node.js, Express.js, Flask, SQLite, MongoDB, SQL

Core Fundamentals: Data Structures and Algorithms (DSA)

Professional

Effective Communication Skills

Team Work

Interpersonal Skills

CO-CURRICULAR ACTIVITIES

- **Competitive Coding:** Active participant in continuous data structures and coding practice platforms to enhance problem solving efficiency .
- **Campus Contributions:** Engaged contributor across university-level technical hackathons and cultural activities.

DECLARATION

I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
